Subsequently, on September 18, 2006 and October 31, 2006, the thirteen (13) selected individuals were interviewed. Both a criminal background check and media check were performed on all thirteen applicants selected for interview. Further, on October 31st at the PHT Nominating Council meeting, the Council voted unanimously to submit the following list of seven (7) nominees for your consideration

Experience and qualifications:

Having now served the Public Health Trust for a few years, I believe my professional skills are uniquely well suited for continued service to Miami-Dade County through the Trust. I have led several committee efforts as a Trustee, including recent appointments as a member of the Executive Committee, Vice-Chair of the Strategic Planning Committee and Chair of the Human Resources Committee.

With more than twelve years of strategic management consulting experience with the world's leading companies, I believe that I can continue to add value to the Trust as it fulfills its mandate. Particularly useful are my extensive functional experience in organization and operations performance improvement and my deep exposure to strategic and governance issues facing the public management sector. The Trust's challenge remains bringing the community's broad vision into focus while balancing the demands of an ever changing competitive market. I continue to be excited about the prospects of working with our now established management team to bring that vision to life!

Goals and objectives:

Over the next three years, I personally hope to:

1. Provide governance continuity on key strategic and operational improvement initiatives undertaken by the organization to improve its effectiveness and efficiency
2. Encourage management to identify new ways to improve access to our world-class medical services for an increasing number of Miami-Dade county residents

Please describe the goals and objectives you will seek to accomplish if you are selected as a Trustee:

My goal is to continue to provide the highest level of medical care to our citizens regardless of their financial position. As a Trustee and a member of this community, I would work to maximize the resources of our local health care while facing financial challenges and exploring ways to offset indigent care costs.

I, (candidate's name) Ariana Fajardo,
Citizen of the United States, a duly qualified elector of Miami-Dade County, and not affiliated with the Public Health Trust of Miami-Dade County or its subordinate agencies or institutions, would, if appointed, be willing and able to discharge the responsibilities and functions of Trustee. I declare that, if selected while currently serving on another official County board, I will resign from my other County responsibilities.

CLERK OF THE BOARD
2006 JUL - 5 AM 10:45
CLERK, CIRCUIT & COUNTY COURTS
DADE COUNTY, FLA.
MI

Dear Ms. Sullivan:

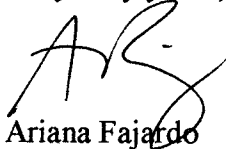

Enclosed please find my Application for Nomination to Serve on the Board of Trustees of the Public Health Trust of Miami-Dade County and my detailed resume for your review.

I am a long term resident of Miami-Dade County and I have always taken an interest in our community. My introduction to public service began as a Guardian Ad Litem for abuse and neglected children when I was in college. Since then, I have volunteered with the City of Miami Springs as an appointed member of a board that meets monthly. Throughout the past ten years, I have also provided pro bono legal services in our community on my own and through the Cuban American Bar Association.

Currently, I am an attorney in private practice working in the area of family law. Prior to my work in the private sector, I was an Assistant State Attorney with the Miami-Dade County State Attorney's Office. During my tenure as a state prosecutor, I had the benefit of getting to know the poverty levels and the needs of our community. My work as a prosecutor allowed me to learn that public service was about more than just prosecuting case. I learned that one must always strive for the highest level of integrity when trusted by a community to represent its interests.

At this stage, I endeavor to increase my level of community involvement by submitting this Application for Nomination. I look forward to speaking with you soon. In the meantime, I thank you for your consideration.

Very truly yours,

Ariana Fajardo
